

Department: Trail
Job Title: Trail Race Coordinator
Reports To: Director of Trails
Location: Ragnar Headquarters, Salt Lake City, Utah

Ragnar exists to make life more awesome. We are a group of active people who seek to work with individuals who work hard and play hard and have a deep desire to be successful. The Ragnar Relay Series is the largest relay series in the country. As a Trail Race Coordinator, you will help the Race Directors (RDs) execute strategic and tactical event operations plans. We offer a great benefits package including 75% covered health care, 401K, 2 weeks PTO, and a free Ragnar race/year.

You must be able to run trails for many miles/hours at a time. You do not need to be fast, slow and steady gets it done. Many times when you are marking a course or working a race, you will be by yourself in a remote area. Sometimes you will need to cover 20 miles in a day. Sometimes you will need to cover 15 miles each day for 3 days in a row. This should excite you, not scare you. Physical labor, heavy lifting (50 lbs), and working weekends and long hours during races is a requirement. This may sound like all we do is run and although we wished this was true, it is not. This job will average 40-50 hour work weeks and most of those are at the office, in front of a computer.
