

APPALACHIANS GEAR DROP AND SHUTTLE PROCEDURE

Thursday and Friday Arrival

When you arrive to Big Bear Lake Camplands you will follow signs and volunteer directions to the drop off zones located in the camping areas. Note that you will pass the parking area on your way in. You will unload all of your gear, QUICKLY, and go find a campsite. Your driver, who will stay with the vehicle, will then follow signs and volunteers out of the camping area and to the parking area 2.5 miles down the road. The drivers will then be shuttled back to the camping area.

- **You may NOT arrive before 4pm on Thursday.**
- **You may NOT arrive after 10pm Thursday evening.**
- **Anyone arriving Friday evening after shuttle hours will follow signs and volunteer direction to parking that will be within walking distance of the village.**
- **Volunteers staying temporarily for their shift will be able to park in our designated volunteer parking area close to the village and will need to remove their car as soon as their shift is finished. Any volunteers staying for the entire event can follow the same procedure as the teams.**

Saturday Departure

Drivers will be shuttled out to the parking area. They will then drive back to the camping area in their own vehicles and pick up their team (who will be ready and waiting) and gear at the designated pick up locations, QUICKLY, and head on home! If you are staying until Sunday we will have you shuttle your car back to your campsite by 6:00pm on Saturday.

Shuttle Schedule

Thursday 4:00pm – 10:00pm

Friday 7:00am – 5:00pm
